Hirsch/Green Transportation Consulting, Inc.

Full Time Employment Opportunity Transportation Analyst Sherman Oaks (Los Angeles), CA

Hirsch/Green Transportation Consulting, Inc. provides high-quality, comprehensive, and solution-oriented transportation consulting and traffic engineering services to both private and public sector clients throughout the Los Angeles market. Through detailed, state-of-the-art technical analysis as well as post-analysis follow up within the political and agency management arenas, client transportation issues are facilitated to resolution. Hirsch/Green Transportation has quickly become recognized as one of the premier traffic consulting firms in the Los Angeles Area.

Hirsch/Green Transportation Consulting, Inc. is seeking a transportation analyst to join our Sherman Oaks (Los Angeles) office. Qualified candidates must have 1 to 5 years experience in general traffic engineering analyses and procedures; E.I.T. certification preferred but not mandatory, and ability to obtain P.E. licensure in either Civil or Traffic Engineering (California) is encouraged. Responsibilities will include preparation of all phases of traffic impact and parking demand analyses. Additionally, a working knowledge and understanding of Synchro, Traffix, and HCS modeling and analysis formats is recommended. Good communications skills, including strong writing and verbal presentation abilities, are essential.

We offer a competitive salary and benefits package with excellent growth opportunities for highly-motivated individuals who desire to be part of an exciting and growing team providing unsurpassed and responsive service to the transportation, planning, and development communities of Southern California.

The position is available immediately. Please email resumes to employment@hgtraffic.com.
